ICT Mahidol held an online training on “Smartphone Video Production, Batch 2”

On 6 September, 2021 – the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), led by Miss Sirirat Wittayakunsatid, Audio-Visual Technical Officer (Design and Website), held an online training on “Smartphone Video Production, Batch 2” via Webex Meetings.

Nowadays, videos are becoming valuable tools for advertisement, marketing, sales, and education. Being created by combining texts, photos, video clips and music altogether, a video is a tool used for conveying a message to one’s target groups. The Faculty of ICT held this training with the aim of giving knowledge to all 21 participants on how to create eye-catching videos, as well as how to edit videos on their phones using the VLLLO application.
