ICT Mahidol instructor has recently been appointed Associate Editor of the Journal of Healthcare Informatics Research

Prof. Dr. Peter Fereed Haddawy, Deputy Dean for Research Development, the Faculty of Information and Communication Technology, Mahidol University (ICT Mahidol), has recently been appointed Associate Editor of the Journal of Healthcare Informatics Research (<https://www.springer.com/journal/41666>). This journal presents research on the application of computer science principles, information science principles, information technology, and communication technology to healthcare and everyday wellness, highlighting novel technical contributions in computing-oriented healthcare informatics.

In addition, he continues to serve as:

- A Senior Consulting Editor of Radiology: Artificial Intelligence (<https://pubs.rsna.org/journal/ai>)
- A Member of the Editorial Boards of Artificial Intelligence in Medicine (<https://www.sciencedirect.com/journal/artificial-intelligence-in-medicine>)
- A Member of the Editorial Boards of Artificial Intelligence in the International Journal of Information Technology and Decision Making (<https://www.worldscientific.com/worldscinet/ijitdm>)
